EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen D. Timmons on 11/16/2005.

The application has been amended as follows:

Claim 34 has been replaced with:

--

A harvesting method comprising:

making a first harvesting pass in one direction through a field of standing crop materials including severing standing materials from the ground and depositing them onto the ground within a mowed strip created by the first harvesting pass to form a first deposit of severed materials,

said first harvesting pass being carried out at a location spaced inwardly from an edge of uncut standing crop materials so as to leave uncut standing crop materials along opposite sides of the mowed strip;

making a second harvesting pass in the opposite direction through uncut standing crop materials on one side of the mowed strip of the first pass including
